

Unfortunately, the Pest Inspection exposed beetles and termites for a cost of \$16,000 to repair, so we had to cancel the purchase of the Rehab house . We were disappointed but glad we found out before we got into the repairs and discovered a huge expense. Prayers for another Rehab house or lot to build on would be appreciated. Our ReStore project fell through; the owner decided he wanted to sell the property instead of lease it to us. We keep looking for another site, if you know of any place suitable with approximately 6000 sq ft in Atwater or Merced, please call us at 209-726-0850 and you can get involved. There's many opportunities in researching, marketing, publicity, shelving, connecting with possible donors.

If you have some expertise to share and would like an application so an interview can be arranged to be considered to be a board member, please check our website hfhmerced.org or call 726-0850 and have one mailed to you. We are looking for someone interested in fundraising, computer skills and legal expertise. Each member of our board is responsible for a task, so it is a working board and together we work as a team to accomplish the goals we have agreed upon.

If you would like to visit one of our board meetings to see if this is what God has planned for you to do, please call me to add you to our agenda.
