Discussed using the Mc Namara community center, the Boys and Girls club, or the senior center. Also discussed placing posters in stores and Laundromats in the communities where the houses are to be built as a way to get interested persons to attend the seminars.

Michelle signed a document in preparation to transfer title of three city lots. Lyle wants to make some minute changes to the document and will work with the City of Merced for these changes and have new documents drawn up.

Approve and certify the covenant. The covenant between HFHI and HFH Merced County was approved and certified. Michelle will take care of mailing the documents.
